

Fees, credits, and invoices overview

The fees we charge for selling an item on eBay mainly depend on what you sell and how much it sells for. Your fees are automatically deducted from your sales proceeds and you can view the details of your fees in [Payments](https://ppcapp.ebay.com/myppc/wallet/list) - opens in new window or tab in My eBay or your [Financial statement](https://www.ebay.com/sh/fin/fees) - opens in new window or tab in Seller Hub.
