

PI - Replica coins and currency policy - Prohibited, Restricted and Counterfeit items

<h2>GUIDE.SUMMARY

What is the policy?

 Only one-sided replica paper currency that follows these rules can be listed:

 Size is less than 75% or greater than 150% of the genuine currency

The listing includes a photo of the actual replica paper currency being sold

The listing includes the word replica in the title and description

Replica coins are not allowed Counterfeit or altered coins and currency

are not allowed, nor is equipment designed to make them Why does eBay

have this policy? This policy helps sellers and buyers follow government regulations.

</h2><h2>GUIDE.TALKING_POINTS Whats a replica coin? Replica coins are a copy or

reproduction of an actual coin, including US, foreign, and other historic coins. Can I list

commemorative coins? You can list a commemorative coin as long as its not a replica coin, and

your listing complies with our policies. </h2>
