

## Contact eBay - Selling Limits

We're committed to help you but like you, we're currently working through the significant challenges brought by this global pandemic. So, we're doing what is right for the health and safety of our employees. This means phone support is currently unavailable. We're working to restore our normal service as quickly as possible. You can still check if you're eligible for an increase in your selling limit and request one if you are by using our self service option. Simply select the 'Request a selling limit increase' link below to get started.
