

Saved searches

<h2><p>Save valuable shopping time by creating saved searches for the items you regularly search eBay for.</p>

<h2><h3>Select Save this search at the top of your search results page to save searches for items you regularly look for.</h3>

<h2>We'll send you email alerts when new items matching your search are listed. Your searches will also appear in your feed when you're signed in or you can find them by selecting Saved on the eBay homepage.</h2>
id="section1">How to save searches</h2>After you search for an item, select Save this search at the top of the search results page.To view the listings in the searches you saved:Go to Saved searches - opens in new window or tab.Watch the video below to learn how to save your search:<iframe allow="autoplay; encrypted-media" allowfullscreen="" frameborder="0" height="315" src="https://youtube.com/embed/xfRiRW9PSRE"

How to edit or delete your saved searches

You can update your saved searches by adding or removing filters, such as price, color, or type of listing. To edit your saved searches:

- Go to [a](#)

href="https://www.ebay.com/myb/SavedSearches?MyEbay&gbh=1&CurrentPage=MyeBa
yAllFavorites" target="_blank">Saved searches - opens in new window or
tab.Select the search you'd like to edit.Add or
remove filters, then select Save this search.Keep in mind that when you edit an
existing search, a new saved search will be created with the filters you've selected.To delete a

saved search: <https://www.ebay.com/myb/SavedSearches?MyEbay&gbh=1&CurrentPage=MyEbayAllFavorites> - opens in new window or tab

Select the blue heart on the search you'd like to delete.

Go to Saved searches

Tip You might need to update your saved search if a product's name or other details change.

Unsubscribing from saved search emails

By default you'll receive email alerts to your registered email address whenever new items match your search or if there are updates to your saved search. You can unsubscribe from these emails at any time.

Go to <https://www.ebay.com/myb/SavedSearches?MyEbay&gbh=1&CurrentPage=MyEbayAllFavorites> - opens in new window or tab

Select the envelope icon on the search you'd like to stop receiving emails about.

If you change your mind, you can select the envelope icon to receive emails about this saved search again.

How to remove a saved seller

Here's how to remove a saved seller:

Go to Saved Sellers in My eBay.

Select the blue heart to the right of the seller you'd like to remove.
