

Shipping and delivery for buyers

There are a number of shipping and delivery options available on eBay, from tracked international shipping to picking up an item in your own neighborhood.

Are you a seller who needs help with shipping? Read our article on [shipping for sellers](https://www.ebay.com/help/selling/posting-items/posting-items?id=4077). You'll find the delivery details for an item, such as shipping charges and the estimated delivery date, in the Shipping and payments section of the listing. You'll also see this information when you add an item to your cart and at checkout. After you've completed checkout, you'll see the cost of shipping and an estimated delivery date in your order confirmation email.

Bought an item and want to check when it should arrive? [Track your item](https://www.ebay.com/help/action?&topicId=4027). Our guides below will help answer any questions you might have about shipping on eBay.
