International shipping of animal products must follow all country laws

Why does eBay have this policy? To reduce the risk of introducing or spreading pests and diseases, the sale and import of plants and seeds is highly regulated.

<h2>GUIDE.TALKING_POINTS Reason for policy eBay urges its

sellers and buyers to comply with all governmental laws and regulations. The United States Department of Agriculture prohibits the importation and interstate movement of federally defined noxious weeds. Sellers are restricted in their listing of them on eBay. </h2>
