

## Funeral items policy

Used funeral items are not allowed.

While we recognize that some historical grave markers may be privately held within families and legal to sell, eBay is concerned with vandalism that has occurred in graveyards across the world, and consequently prohibits their sale.

What is the policy?

The following items are not allowed:

- Used funeral items such as

- headstones, markers, or urns

- Sellers can list new funeral items as long as

- they've never been used, such as:

- Burial

- plots

- Caskets

- Gravestones

- Headstones

- Tombstones

- Urns

Activity on eBay is required to follow this

policy,

the

eBay

and all applicable laws, as well as respect the rights of third parties. If it

doesn't, eBay may take action consistent with applicable laws and the eBay

and may even be legally required to do so. Such actions may include, as

an example only: Removing the listing or other content, issuing a warning, restricting activity or

account suspension.
