

Vehicles, parts and accessories policy

Vehicles, parts and accessories that don't follow government regulations are not allowed.

undefined

What is the policy?

The following types of listings are not

allowed:

- Leased vehicles or offers to lease vehicles
- AutoCheck or

- Carfax reports
- Deployed or rebuilt airbags and airbag

- covers
- Recalled airbags
- Vehicle titles cannot be included when

- offering parts
- Products not following the

Emissions control defeat devices policy - opens in new

window or tab

- Vehicle Emission Control Information (VECI)

- labels
- Sellers can list the following items:

- Vehicles with a valid

- Vehicle Identification Number (VIN) recognized by the eBay VIN decoder
- If the VIN

- isn't recognized by our systems, the VIN must be included in the item description with an

- explanation as to why it wasn't accepted, such as:

- The vehicle was

- manufactured for a model year before 1980
- The vehicle was manufactured outside

- of North America
- The vehicle wasn't intended for street-legal

- use
- Airbags and their parts or accessories may only be sold by

- approved sellers under the following conditions:

- Only used airbags that have never

- been deployed are allowed
- Must not be part of an equipment recall. Sellers

- are responsible for proactively maintaining their inventory to remove any recalled

- items
- Must be shipped in accordance with applicable regulations using hazmat

- shipping and a carrier other than the US Postal Service
- Must include the following

- statement in listing descriptions: "I certify this airbag is not subject to recall and will be shipped

in accordance with hazmat shipping requirements" Sellers must maintain Automotive Recyclers Association (ARA) Certification Imported vehicles certified by the United States Department of Transportation New and used gasoline-powered vehicles registered in California that pass the California smog check Catalytic converters that meet EPA requirements for aftermarket sale. Used catalytic converters must be recertified or listed as scrap metal, with no make or model information Vehicles, engines, and portable fuel containers with a valid U.S. Environmental Protection Agency (EPA) Certificate of Conformity (COC) demonstrating conformity with all applicable emission requirements under the Clean Air Act (CAA). Products that require an EPA COC include: Light-duty vehicles Recreational vehicles Highway motorcycles Heavy-duty engines Nonroad compression-ignition (NRCI) engines Small nonroad spark-ignition (NRSI) engines Large spark-ignition (SI) engines Marine spark-ignition (SI) engines Marine compression-ignition (CI) engines Stationary internal combustion engines Locomotive engines Evaporative emissions components (e.g., fuel tanks, lines, caps, portable fuel containers)

eBay is required to follow this policy, the eBay User Agreement and all applicable laws, as well as respect the rights of third parties. If it doesn't, eBay may take action consistent with applicable laws and the eBay User Agreement, and may even be legally required to do so. Such actions may include, as an example only: Removing the listing or other content, issuing a warning, restricting activity or account suspension.
