

LP - Test listing policy - List Practices

<h2>GUIDE.SUMMARY

What is the policy?

 Test listings must be

listed in the Everything Else > Test Auctions category and follow our policy. The

word test must appear in both the listing title and description Only 10 test listings

are allowed at a time For test feedback: Create an account for

testing purposes only (the account should not be used for buying or selling)

Feedback can only be used for testing purposes Why does eBay have

this policy? This policy helps keep test listings in a single location to avoid confusion for buyers.

</h2><h2>GUIDE.TALKING_POINTS Can I relist the item? The test listing can be

relisted as long as it follows our policy. </h2>
