

Your shopping cart

You can save fixed-price items you'd like to buy by adding them to your shopping cart while you continue shopping. When you're ready, you can check out and pay for multiple items in one go.

You'll see **Add to cart** beneath the Buy It Now button on any fixed-price listing.

You're under no obligation to buy items you've added to your shopping cart, but keep in mind that items in your cart can still be bought by other members until you've completed checkout.

How to add an item to your cart
To add an item to your [shopping cart](https://cart.payments.ebay.com/sc/view) - opens in new window or tab, select Add to cart beneath the Buy It Now button on any fixed-price listing. To view the items you've previously placed in your cart, select the cart icon at the top right-hand corner of the eBay screen. You can then select Go to checkout, or continue shopping. Listings for vehicles, auction-style listings without a Buy It Now option, and Classified Ad listings can't be added to the shopping cart.

Paying for items in your cart
Generally, you can pay for all of the items in your cart together, even if they're from different sellers, by selecting Go to checkout. If you'd rather pay one seller at a time, select Pay only this seller. There are a few situations where you'll have to check out separately:

- If the seller hasn't specified shipping costs for your location, select Message to seller on the checkout page to ask them for shipping options
- If the seller hasn't specified rules for combining shipping costs on multiple items, select Request total on the cart page
- If you're buying from different sellers and they don't all accept the same payment method, or you're buying items listed in different currencies, you'll have to make separate
