

## PI - Illegal explicit content policy - Prohibited and Restricted Items

### GUIDE.SUMMARY

What is the policy?

  
We never allow any listings that include material or items depicting or describing child pornography, whether real or fictionalized  
We never allow any listings that include material or items depicting or glamorizing bestiality, torture, snuff films, necrophilia, rape, scat, incest, or other illegal or obscene content, whether real or fictionalized  
Why does eBay have this policy? eBay never allows listings which include illegal material.
