</h2></h2>GUIDE.SUMMARY

What German law does not allow the sale of anti-constitutional items. Such items include items associated with the Nazi Party, Aryan Nation, Skinheads, and other radical organizations. Items can include music, books, propaganda, films, toys, newspapers, bumper stickers, etc. Items related to the Italian Fascist Benito Mussolini are also restricted from sale in Germany. French law does not allow the sale of Nazi items. Several European countries have very strict regulations/laws surrounding Nazi items. Items ended under this policy are generally removed because they violate the site policy in DE/FR. We will not become a platform for those who promote hatred toward others. Sellers may not list items that promote or glorify hatred, violence, or racial or religious intolerance, or items that promote organizations (such as the Nazis, neo-Nazis, and Aryan Nation) with such views.
