

Managing your subscriptions

To sign up for one of our business tools, go to [Subscriptions - opens in new window or tab](https://www.ebay.com/sub/manage) in My eBay. Select Subscribe next to the tool you'd like to try. If you change your mind, you can select Unsubscribe. If you're a high-volume seller, consider subscribing to the following tools to help you understand your selling performance, run your business more efficiently, and access more ways to promote your listings (additional fees may apply):

- Sales reports: get the detailed information you need to understand your business and sell more successfully on eBay
- eBay Stores: opening an eBay Store lets you display all your listings in a single, branded location and gives you access to discounted fees

Tip Once you've subscribed, you can manage your tools in the [Subscriptions - opens in new window or tab](https://www.ebay.com/sub/manage) section of My eBay.
