

The eBay profile page

GUIDE.SUMMARY What The Profile Page is a great place for customers to showcase themselves and the items they're selling. eBay customers can upload a photo as well as add a brief description. Additionally, it features the following:

- Feedback overview
- Items for sale
- Product reviews
- Company details and categories for business sellers
- Number of items sold
- Number of followers

This article covers

- Accessing your profile
- Editing your profile
- Sharing a profile
- Inappropriate profile content

GUIDE.DETAILED_INFORMATION

How to access your profile: On desktop: You can access your profile page by hovering over Hi *username* at the top of most eBay pages. Select your username in the window that opens. Note:

You can select your username anywhere it's displayed to access your profile. Via the mobile app:

First, select My eBay, then tap your username. How to edit your profile:

- Open your profile page.
- On the profile page, select Edit profile.

You can change your profile picture by selecting the pen icon at the upper right of the picture.

You can change your description by tapping/clicking inside the text box. To apply your edits, select Save.

Recommended profile picture dimensions are 300 x 300 pixels, with a minimum resolution of 72 dpi (dots per inch).

How to edit your profile as an eBay Store subscriber: Open your profile page on desktop. Select the About tab. Next to Seller profile, select your username. Select Edit profile. You can change your profile picture by selecting the pen icon at the upper right of the picture. You can change your description by clicking inside the text box. To apply your edits, select Save on the upper right.

How to share a profile: Select the [username] to access the profile you want to share. The customer will have a unique URL that you can share. If its an eBay Store, you can also select Share on the top right corner of the profile page. Select any of the social media icons, instant messaging options, or email to share the profile. </h2>
