

Changing your account settings

Our guides below have everything you need to know about changing your account settings, such as your password, username, contact details, and more. Tip You can change your account settings any time by going to the Account tab - opens in new window or tab in My eBay. You can also update your profile in My eBay - opens in new window or tab by selecting your username.

- Your account and profile settings
- Your contact details and privacy
- Subscriptions, preferences and notifications
