

PI - Lockpicking devices policy - Prohibited and Restricted items

<h2>GUIDE.SUMMARY

What is the policy?

 Lockpicking or locksmithing devices are not allowed. Some examples

include: Bump keys Slim jim Devices to make

or duplicate keys Devices designed to pick a lock Code-grabbing

devices Why does eBay have this policy? This policy helps

sellers follow important government regulations. </h2><h2>GUIDE.TALKING_POINTS

Why cant I list my locksmithing items? Because of the regulations surrounding the sale and shipping

of locksmithing devices, eBay has made the decision to prohibit most locksmithing equipment. Many

states require that locksmithing equipment be sold only to authorized persons. eBay has no way to

guarantee that the buyers of locksmithing equipment are authorized. </h2>
