Once your buyer's order is confirmed, the next step is getting the item safely to your buyer. Our packing guide offers advice for when you've got a large or awkwardly shaped package to send. Once you've got your item packaged, find out how you can save time and money by printing your shipping labels on eBay. Tip You don't need any special equipment to print labels; just use standard paper in your printer, and tape them to your package. <https://www.ebay.com/help/selling/posting-items/labels-packaging-tips/packing-sold-items?id=4156> > Packing your sold items < /a > How to package all of your items, including irregularly shaped goods. < /a
