

## PI - Collectible currency policy - Prohibited, Restricted and Counterfeit items

### <h2>GUIDE.SUMMARY

What is the policy?

 <ul> <li>Listings for graded coins and currency must be graded by an eBay-approved grading company such as NGC, PCGS, ANACS, ICG, ICCS, PMG, CAC, or Legacy Currency Grading</li> <li>Listings for ungraded coins and currency or raw currency: <ul> <li>Must not include a non-approved grading company, numeric grade or estimated value anywhere in the listing&nbsp; and cant show an image of the item in a graded holder if the image shows a grade</li> <li>Must include photos of the front and back of the actual item for sale (stock photos are not allowed)&nbsp;</li> <li>Must have a starting, reserve, or Buy It Now price of less than \$2,500&nbsp;</li> <li>Listings for current, exchangeable, ungraded currency from any country worldwide cant exceed \$1000 in value, whether in a single listing or in a combination of multiple listings</li> </ul> </li> </ul> Why does eBay have this policy? This policy helps keep the graded coins and currency for sale on eBay at a high standard, while still allowing ungraded or raw items to be sold

### <h2>GUIDE.TALKING\_POINTS Who are the eBay-approved grading companies?

The eBay-approved grading companies are: <ul> <li>American Numismatic Association Certification Service (ANACS)</li> <li>Certified Acceptance Corporation (CAC)</li> <li>Independent Coin Graders (ICG)</li> <li>International Coin Certification Services (ICCS)</li> <li>Legacy Currency Grading</li> <li>Numismatic Guaranty Corporation (NGC)</li> <li>Professional Coin Grading Service (PCGS)</li> <li>Paper Money Guaranty (PMG)</li> </ul> What is a raw currency? A raw coin is

one that hasn't been graded by a coin grading company, or one that has been graded, but not by an eBay-approved grader. Raw coins can be listed on eBay as long as: <ul> <li>A numeric grade (such as MS-65, VF-25) isn't included in the title, description, or item specifics of the listing
