

Using My eBay

You can track all of your eBay buying and selling activity, send messages to other eBay members, and update your account details from My eBay.

Go to My eBay to manage all of your buying and selling activity, check your Messages, and update your account settings.

On desktop, you can find My eBay at the top right of most pages, and once you've signed in, you'll find everything you need under the Activity, Messages, and Account tabs. You can also hover over My eBay to see a menu of options, such as Bids/Offer, Watchlist, Messages and more. In the iOS eBay app you can find My eBay at the bottom left-hand side of the home screen. On Android, simply tap the Menu button at the top left-hand side. Select the button below to go to My eBay now:
