- Seller maintains a track record of delivering positive buying experiences, including an account that is Above Standard or Top Rated
- Seller complies with all applicable laws, regulations, and eBay policies
- Seller has registered for eBay managed payments and verified their identity
- Seller does not engage in high-risk activities.

If we believe a seller is a high risk for not delivering the product or meeting these requirements, we may, at our sole discretion, restrict their ability to sell these products. These products include:
