Ending a listing

<h2><p>You can end an eBay fixed price listing at any time, but auction listings can only be ended early in certain situations.</p>

</h2>

<h2><h3>You can end a listing early in certain situations. For example, if you discover that an item you’re selling is damaged, you can end the listing for that item.</h3>

</h2>

listing select End below.<a <h2>To end а early, your listing href="https://www.ebay.com/help/action?topicid=4146">End_your_listingYou_can_also end a listing in Seller Hub or My eBay: How to end a listing in Seller Hub< ol&qt; < li&qt; Go to the Active listings - opens in new window or tab page in Seller Hub.Select the checkbox next to the item vou want to end.From the dropdown menu. select End item.To end multiple listings at once, select the checkbox next to each item and from Actions, select End. How to end a listing in My eBayGo to Active - opens in new window or tab in the Selling section of My eBay.Find the item, and from the dropdown menu, select End listing. TipIf you made a mistake in your listing, be able <a you may to href="https://www.ebay.com/help/selling/listings/revising-listing?id=4356">revise your listing or change your item price<:/a> instead of ending your listing early.<:h2>When you can end a listing</h2>lf you end a listing early, it risks disappointing potential buyers, so we strongly discourage all our sellers from doing so. However, we understand that there are times when it might be necessary to end a listing early. Some valid reasons include:The item is lost, broken, or no longer availableYou made a mistake, such as listing the wrong starting price in an auctionAre you a seller looking to cancel a transaction with a

buyer? Read our article on canceling a transaction for sellersWhether you can end your auction listing early depends on if you' ve received any bids yet, how much time is left in the auction, and if you have a reserve price in place.<colgroup><col span="1" /><col span="1" /><col span="1" /><col span="1" /></colgroup><thead>Listing formatTime left in listingListing stateCan the listing be ended early?</thead><tbody>Fixed PriceN/AWith or without open offersYesAuction 12 or more hours No BidsYes1 or more bids with reserve price not metYes. You may be charged a final value fee based on the amount of the highest bid.1 or more bids with reserve price met or no reserve price setYes, you may end the listing by cancelling all bids. You may be charged a final value fee based on the amount of the highest bid, or you may sell the item to the highest bidder. Fewer than 12 hours No bidsYes1 or more bids with reserve price not metYes. You may be charged a final value fee based on the amount of the highest bid1 or more bids with reserve price met or no reserve price setNo, you can only sell the item to the highest bidder</tbody>lf your listing isn't eligible to be ended early, you can contact any bidders to explain the situation and ask them to retract their bids. If the auction has finished, you can contact the winner and, if they agree, you can cancel the transaction. You can only end auction listings with bids one at a time by selecting a valid reason. Ending listings early disappoints bidders, so we may place limits and restrictions on your account if you are doing so regularly. Tiplf possible, consider revising your listing by adding information to the description instead of ending it.</h2>
