That's why we have rules for what types of payment methods can and can't be used. This policy is designed to promote online shopping and to encourage online payment methods that are safe, easy to use, and reliable and that offer high levels of protection. The Accepted Payments Policy identifies those payment methods that members are permitted to accept when transacting on eBay. Those listings that offer a payment method/service that is not singled out as permitted will be considered in violation. Not sure if this is the correct Accepted Payments policy? The following also fall within Accepted Payments: <ul&gt; <li&gt;&lt;a
